I recommend this property

Hello my name is Bruce Henry.
I live at Cushing Residence.
I've been living at Cushing Residence for 30 years.
Cushing Residence is a great place to live.
Cushing Residence provides laundry self-service, Residents Coffee Club, business meetings, social activities, snow plow services, fire drills and alot more. When I first moved to Cushing Residence, none of these services were provided. But now there all provided. These are new changes. And also new plastic bag dispensors are installed with plastic bags for pet owners.
We're now having some construction work services in progress lately at Cushing Residence.
I wish we had a parking garage. These are my wishes at Cushing Residence.

- 1. Parking Garage
- 2. Storage Garage for Cushing Residence Staff & Residents
- 3. A bigger laundry room for all 3 buildings
- 4. Public Transportation Systems
- 5. Interior Stores (Stores inside Cushing Residence Apartments)
- 6. Counseling Services at Cushing Residence
- 7. A Clinic at Cushing Residence
- 8. A Bigger Computer Center at Cushing Residence
- 9. An Emergency Shelter at Cushing Residence

Note: I truely believe this would be a great idea.
